

OEM Friendly Profiles

The following mouldings offer a sampling of profiles that are well-adapted to the requirements of a production line while creating attractive frames that appeal to the retail market.

Arquati Company USA

Name: Metropia

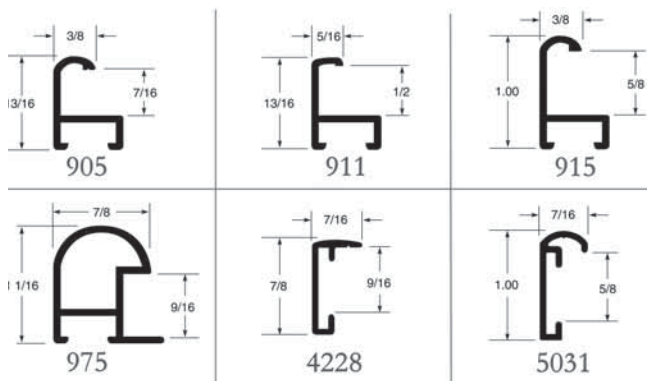

Number: 311402A

Material: wood

Finish: silver with black scratch

Size: height: 1-1/8" width: 2-3/8"

Suggested Use: Cool, contemporary silver has uses for modern artwork in black and white. Also appropriate for images with strong color. For modern, contemporary, urban style interiors.

Designer Moulding

Name: Designer Contract® Moulding (Metal Division)

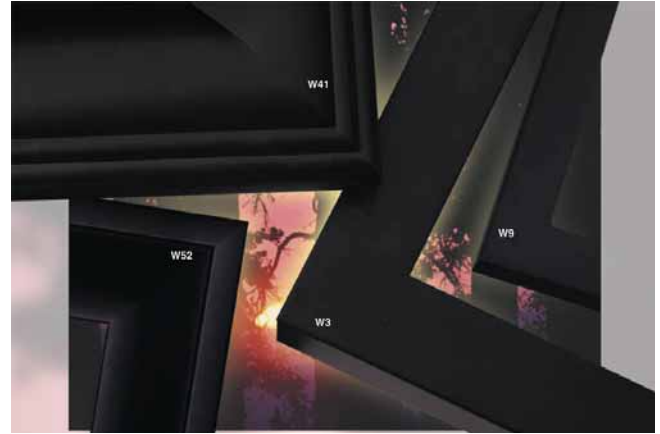

Number: Available in the most popular metal sideload and backload profiles and finishes

Material: aluminum metal

Finish: Brite Anodizing, Etched Anodizing, and Artel coatings

Size: various widths, heights, and rabbets available

Suggested Use: Commercial and residential. Posters, prints, Old World, graphic arts, photo frames, photography, and mirrors. Box quantities only.

Designer Moulding

Name: Designer Blacks (Wood Division)

Number: Available in nine of the most popular profiles: W3-250, W9-250, W23-250, W24-250, W10-250, W40-250, W41-250, W52-250, and W53-250

Material: finger-joined first quality harvested wood

Finish: Multiple layers of gesso are used to achieve a silky, smooth finish. A specially formulated Designer Black polyurethane paint is used to create a tough, black satin finish. Then thin layers of natural lacquer are applied.

Size: Various widths, heights, and shapes available.

Suggested Use: Posters, prints, Old World, giclée, photo frames, graphic arts, photography, and mirrors. Box quantities.

Framerica

Name: Blockbuster

Number: VW54000; BW54966 stainless (with finish)

Material: BonanzaWood, an environmentally friendly engineered wood

Finish: Stainless

Size: height: 1-1/2" width: 2-1/4"

Suggested Use: Modern, contemporary artwork, especially black and white images

Size: height: 1"-1-1/2"
width: 1" (G731); 1-1/2" (G733); 2-1/8" (G342); 1-7/8" (G3136), 1-1/4" (BIK 10)

Suggested Use: home decor and promotional gifts market

Max Moulding

Name: The Poetica Collection

Number: 4004S

Material: wood

Finish: crackled silver leaf with antique wash

Size: height: 2"
width 3-5/16"

Suggested Use: Old World elegance and subtle aged colored finishes are used with impressionist style art and contemporary art. The moulding may be used alone or stacked with another smaller profile (shown in photo Poetica style #7001B) inside to make versatile designs. The vintage look and eclectic style complement many interiors.

Wall Moulding

Number: 3557

Material: wood

Finish: black leather with bronze

Size: width: 4" rabbet depth: 3/4"

Suggested Use: diverse projects
